WORK EXPERIENCE

DAN ISENHOWER, *Attorney at Law*, 2019 – Present, Round Rock

Outside counsel advising former employer and other energy industry clients on environmental, health and safety legal and regulatory compliance.

DEVON ENERGY CORPORATION, *Senior Counsel*, 2013 – 2019, Oklahoma City/Austin

Senior environmental, health and safety attorney supporting corporate EHS Department and E&P and midstream business units.

- Counsel and advise company management, EHS Department and business units on compliance with federal and state EHS laws and regulations.
- Manage company response to federal and state agency enforcement actions including negotiating administrative orders and consent decrees.
- Manage company response to Clean Water Act, Clean Air Act and CERCLA information requests and manage legacy Superfund litigation.
- Support and manage environmental due diligence efforts for asset acquisitions and divestitures.
- Draft and negotiate contracts including master services agreements, licensing agreements, and surface use agreements.

DEVON ENERGY CORPORATION, *Counsel*, 2009 – 2013, Houston

Sole company environmental, health and safety attorney supporting corporate EHS Department and E&P and midstream business units.

DEVON ENERGY CORPORATION, *Senior Attorney*, 2003 – 2009, Houston

Oil & gas transactional and EHS attorney for onshore Southern Division and offshore Gulf Division.

- Negotiate and draft a variety of contracts including oil & gas leases, joint operating agreements, participation agreements, farmouts, surface use agreements, confidentiality agreements, seismic licensing and permitting agreements and drilling contracts.
- Provide legal advice and counseling on Texas and Louisiana oil and gas law and state and federal EHS laws and regulations.
- Manage environmental litigation including mediation and negotiating settlement agreements.
- Work with corporate groups and operating divisions to achieve regulatory compliance and resolve regulatory enforcement actions.

JENKENS & GILCHRIST, *Associate*, 1998 – 2003, Austin

Associate with Environmental and Administrative Law Practice Group representing a broad range of industry clients on EHS regulatory, transactional and administrative law issues.

- Provide guidance and advice to clients on a variety of state and federal EHS statutes, regulations and issues.
- Represent clients before administrative agencies including negotiating administrative orders to resolve regulatory compliance issues.
- Draft environmental indemnities, property management agreements, and property access agreements.

PENNZOIL EXPL. & PROD. COMPANY, Environmental Coordinator, 1995 – 1998, Houston

Senior Environmental Coordinator responsible for supporting company operations and ensuring compliance with air, water, and waste regulations in six states, offshore Gulf of Mexico, Canada, Egypt and Azerbaijan.

- Develop and manage company environmental compliance program.
- Manage U.S. onshore, offshore, and international operations' compliance with air, water, and waste environmental regulations.
- Manage and perform environmental due diligence for oil & gas asset acquisitions in United States, Canada, and Egypt.

PENNZOIL COMPANY, Environmental Coordinator, 1991 – 1995, Houston

Member of corporate EHS group supporting Pennzoil E&P Company and Pennzoil Sulphur Company domestic and international operations:

- Provide regulatory and technical guidance to support oil & gas company and sulphur mining company environmental compliance programs.
- Project manager for significant environmental investigation and remediation projects.
- Conduct environmental due diligence for acquisitions of offshore Azerbaijan oil and gas assets and participated in development of EHS protocols in production sharing agreement.
